The screenshot shows the Windows 7 Start menu on the left with 'Computer' selected. A context menu is open over 'Computer', with 'Properties' circled in red. A red arrow labeled 'R/C' points from 'Computer' to the 'System' section of the System window. Another red arrow labeled 'D' points from 'Properties' to the 'System type' field in the System window, which is highlighted with a red box and contains the text '64-bit Operating System'. The System window shows details for a Dell Inspiron 7420 with 8.00 GB RAM and a 64-bit operating system.
